Workmaster Benches

Basic benches can be as simple or as complex as required, simply by adding any of the available options. Standard features include welded leg assemblies of tubular steel for a durable and rugged undercarriage; leg extenders for adjustable leg height; regular or ESD laminated work surfaces; powder-coated enamel paint; and adjustable floor glides. Options include instrument shelf, footrest, drawers, cabinets, locks, electrical assemblies and undershelf light fixtures. Benches and options are shipped unassembled, with all installation hardware included.

Stamina Series Chairs

Stamina chairs are designed for hours of productivity. From the shape of the seats to the density of the foam, from the ease of control adjustments to our ergonomically designed support system, we design fit and productivity into every chair. You'll find Stamina chairs in production lines, biomedical labs, office environments, anywhere productivity is vital to a company's well being. Gibo/Kodama's technical seating, including ESD and Cleanroom chairs, are used by the top companies of our nation. And all of their products are proudly made here in the USA.

Stamina 3000 Series have three back height options. One lever adjusts the tilt angle for both seat and back. All adjustments on the Autonomous Tilt controls are accomplished while in the seated position and include back and seat height, and seat/back angle. This series also features five-legged, heavy-duty polished aluminum or black-coated base, 25" diameter for desk height chairs, 28" for bench height chairs. 20" diameter, adjustable chrome-plated footing on bench height chairs. Standard or ESD heavy-duty fire-retardant fabric or vinyl. Chrome or black hooded dual wheel casters.

3000 Series

Autonomous Tilt control; 19"W x 18"D contoured seat, 2-1/2" thick high resilient foam.

When ordering, complete the part number by replacing the XXX for the 3-digit fabric or vinyl color. See Chart at bottom of page.

TERMS, CONDITIONS & NOTICES

1. Prices: All prices in this catalog are in U. S. dollars, effective as of **January 1, 2012**, and are subject to change without notice. We reserve the right to correct misprints.

2. Shipping: All orders shipped F.O.B. from our Poway, CA warehouse. UPS is our default carrier; FedEx® is available for customers with collect accounts. The cost of shipping and a nominal handling fee will be added to all orders. Our goal is to ship every in-stock order the same day we receive it. To ensure delivery place orders by Noon PST for FedEx, 3:30PM PST for UPS.

3. Hazardous Material Shipping: Items with this symbol can only be shipped via ground carrier and incur an additional charge. Items with this symbol can only be shipped ground but incur no additional charge. HAZ-MAT items are **NON-REFUNDABLE** and **NON-RETURNABLE!**

4. Payment Methods: We accept checks and the following credit cards:

5. Open Account Billing Terms: 30 days net subject to credit approval. Contact us if you want to establish an open credit account.

6. Taxes: California sales tax will be added to all shipments in California unless you furnish a signed state tax exemption certificate.

7. Minimum Orders: All orders under \$35.00 will incur a \$10.00 administrative fee.

8. Returns: You can return any product, excluding hazardous materials or custom products, within 30 days in the original packaging for replacement, credit or refund. Shipping charges are not refundable. Call for a return authorization number. We reserve the right to not accept returns after 90 days. Non-stocking and made-to-order items are non-cancellable, non-returnable, and non-refundable.

9. Warning: Safe Drinking Water and Toxic Enforcement Act of 1986. Certain products, including solder, fluxes, soldering irons, guns, tips, etc; butane soldering irons and butane, produce chemicals known to the state of California to cause cancer and birth defects or other reproductive harm.
